News Release

January 30, 2012

On January 13, 2012, Terrebonne Parish detectives began an investigation regarding exploitation of the infirm. A family member of the 18 year old mentally challenged victim filed a complaint that the victim's sister had taken a large amount of money out of the victim's bank account.

During this investigation detectives learned that the suspect, Brandy Foret, had her name added to the victim's account as an authorized user. Then, from October 12, 2011 until December 27, 2011 there was over \$24,000.00 withdrawn from the victim's bank account.

On January 27, 2012, Friday morning at approximately 10:30 a.m. Terrebonne Parish detectives arrested Brandy Michael Foret, age-26, 5912 Joy St. Chauvin for exploitation of the infirm. Foret was later released from jail on the morning of January 29, 2012 on a \$10,000.00 bond; her arraignment date is set for March 14, 2012.
