News Release

November 7, 2011

On November 5, 2011, at approximately 1:35 a.m. Terrebonne Parish deputies and detectives responded to the 3600 block of Baker Dr. in reference to domestic violence complaint whereas a female had been beaten by her estranged boyfriend.

Deputies arrived at this location and located the 46 year old female unconsciously lying on the floor inside of the residence. A witness identified the suspect as Clarence Sneeze. Deputies searched the area but were unable to locate Sneeze.

There was a male acquaintance at the residence when Sneeze arrived there banging on the door. When the male answered the door Sneeze produced a handgun, striking him in the forehead with it and threatened to kill him if he did not leave the residence. The male subject ran from the residence leaving Sneeze's estranged girlfriend inside of the residence. A witness informed deputies that they heard a gunshot inside of the residence after Sneeze made entry.

The female was transported to the Terrebonne General Hospital where she was treated for severe head injuries. While being treated at the hospital the female regained consciousness and informed the physicians that Sneeze beat her with a handgun until she lost consciousness. The female is said to have some bleeding on the brain. She was later transported to a New Orleans hospital in order to seek further treatment for her head injuries. The male subject's injuries does not appear to be life threatening.

Clarence Sneeze, black / male, birth date 1-18-1960, ht. 6'00", weight 219, 1113 Schley St. Houma, La. is wanted by Terrebonne Parish detectives for attempted 2nd degree murder and aggravated battery. Sneeze is considered to be armed and dangerous.

Anyone with information concerning this investigation is asked to call the Terrebonne Parish Sheriff's Office, (985)876-2500, or Crime Stoppers, 1(800)743-7433, and may eligible for a cash reward.
