February 2, 2012

On February 1, 2012, Wednesday afternoon Terrebonne Parish detectives arrested a suspect for offenses against intellectual properties. The suspect in this investigation had worked for different offshore companies.

Kerry Camille Lapeyrouse, age-42, 500 Rue De Cypress Thibodaux, was arrested on two counts of offenses against intellectual properties. Lapeyrouse worked for two different offshore companies in which he allegedly copied programs without authorization from the owners of these companies. Lapeyrouse then changed jobs whereas he brought programs from one company to another and was attempting to use these programs for the company training use. These crimes allegedly occurred while working for these companies between June of 2010 and December of 2011. These programs that were copied were developed and paid for by these companies. The programs were considered a trademark of the companies which has an estimated value of over \$1,000,000.00.

Lapeyrouse turned himself in to detectives at TPSO and was accompanied by his attorney; he refused to answer any questions. Lapeyrouse was booked into the Terrebonne Parish Jail and later bonded out on a \$5,000.00 bond; his arraignment date is set for March 16, 2012.
