News Release

September 10, 2010

Sheriff Vernon announces that on September 25, 2010, the Terrebonne Parish Sheriff's Office will coordinate, with the assistance of (DEA) Drug Enforcement Administration, a one-day collaborative effort to remove potentially dangerous controlled substances from our nation's homes. This national take-back initiative will provide a unified opportunity for the public to surrender expired, unwanted, or unused pharmaceutical controlled substances and other medications to law enforcement officers for destruction. This one-day effort will bring national focus to the issue of pharmaceutical controlled substance abuse. The program provides an opportunity for law enforcement, prevention, treatment and the business community to collaborate and establish a safe collection site for all Americans, regardless of where they reside.
