News Release

September 30, 2010

The Terrebonne Parish Sheriff's office is currently conducting in person verification checks on all registered sex offenders in the parish. Deputies are going to each offender's residence and verifying information to make sure the offender is in compliance.

In addition to the personal verifications, offenders are being reminded of the Louisiana law that prevents offenders from participating in Halloween activities involving children.

This operation is being conducted in preparation for the Halloween holiday and similar operations will be conducted in the future in conjunction with the spot checks currently used for offender compliance.

Information from the public regarding the status or whereabouts of sex offenders who are non-compliant can be reported to the Terrebonne Parish Sheriff's Office sex offender division at 857-0266 or through the main number of 876-2500.

Information on sex offenders can be located by utilizing the TPSO.NET website. Click on the sex offender icon and offenders can be located in the local, state and national registries.

Public and private schools are being provided handouts containing safety tips for Halloween to be distributed to students.
