A Bourg man was arrested Friday morning for raping a family member, Sheriff Vernon Bourgeois said.

TPSO responded to a complaint Friday morning from an adult female who reported that her nephew entered her residence late Thursday night armed with a handgun and forced her to have sex with him. She further reported that during the rape, the suspect discharged the firearm intentionally to scare her further.

The female was treated at a local hospital and released.

The suspect, identified as Keith Thibodeaux, 27, of 153 Kevin Street in Bourg, was apprehended after the initial complaint by patrol deputies and questioned by detectives. He admitted to threatening the victim with firearm and forcing her to have sexual intercourse with him.

Thibodeaux was subsequently arrested for one count of aggravated rape and one count of illegal use of a firearm. He remains at the Terrebonne Parish Criminal Justice Complex. No bond has been set at this time.

Thibodeaux has no known previous criminal history.
