News Release

November 20, 2011

On November 19, Saturday at approximately 1:00 p.m. Terrebonne Parish deputies responded to Island Rd. in Montegut in reference to a found body. Water Patrol deputies were directed to a location north of Lake Chene where the body of Virgil Robert Dardar, age-53, was found. Mr. Dardar is a commercial oyster fisherman. Dardar left his residence, 549 Island Rd., alone in his boat at 2:00 a.m. to go and collect oysters. He normally returns at about 5:00 a.m. When he did not return home his fiancée asked a friend to take a boat ride to see if he could locate Dardar and this is when Dardar's body was discovered in the water. The Sheriff's Office was immediately notified. The cause of death is drowning and foul play is not suspected.
